

EVENTS & SITE HIRE

The Arboretum is a great place for family gatherings, kids' parties or picnics.

Or for a wedding.

It offers a wide and varied choice of locations: rotundas, leafy nooks, open spaces, lake views and beautiful vistas.

Perhaps book a guided tour.
(we are currently seeking volunteer guides)

AUG 21

In partnership with Devonport City Council.

The Tasmanian Arboretum

- trees of the world -

A beautiful 66 hectare botanic garden of
trees in a sheltered valley.

Enjoy the peace, native animals and birds.
Breathe the fresh air.

Stand on a bridge and watch a platypus
swim by.

Open daily from 9am-8pm October - April and
9am-5pm May - September.
An entry charge for adults.
Kids and members free.
Just 12 km from Devonport.

FEATURES

Over 4800 tree species in a number of geographic and thematic collections.

The best place in Australia to see wild platypus (ref - Australian Platypus Conservancy)!

More than 80 bird species recorded.

Various walking tracks: amongst trees, near the lake, around historic sites, on the bank of the Don River.

Natural features including native forest and limestone outcrops.

THINGS TO DO

Relax and take in the surroundings.

Play with the kids, have coffee in the kiosk. try those famous ice-creams.

Explore our temperate climate woody plants from around the world.

Take an audio tour.

Take stunning photos.

Learn from the information panels.

GETTING INVOLVED

The Arboretum has been developed and maintained almost entirely by volunteers. We invite you to become one of them.

Become a member (get free entry and a quarterly newsletter).

Make a donation (gifts over \$2 are tax-free).

Sponsor a tree.

For more information regarding any of these we invite you to explore our website.
